I. BACKGROUND

A. The United States of America ("United States"), on behalf of the Administrator of the United States Environmental Protection Agency ("EPA"), simultaneously with lodging this Second Round De Minimis Consent Decree, is filing a complaint against the twenty-one defendants identified in Appendix A hereto pursuant to Section 107(a) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, ("CERCLA"), 42 U.S.C. § 9607(a), for the recovery of response costs previously incurred by the United States in responding to releases or threatened releases of hazardous substances at or from the Breslube-Penn Superfund Site (the "Site") located in Moon Township, Allegheny County, Pennsylvania. In its complaint, the United States also seeks a declaration of the defendants' liability for all unreimbursed future response costs to be incurred by the United States in connection with the Site.

B. As a result of the release or threatened release of hazardous substances, EPA has undertaken response actions at or in connection with the Site pursuant to Section 104 of CERCLA, 42 U.S.C. § 9604, and it will undertake response actions in the future. In performing

these response actions, EPA has incurred and will continue to incur Response Costs at or in connection with the Site. EPA has conducted several inspections of the Site since 1988, which have revealed that numerous hazardous substances have been released at the Site, including but not limited to metals, such as arsenic, chromium, copper, mercury, nickel, lead and zinc; various volatile organic compounds (“VOCs”), such as 1,1,1,-trichloroethane, cis-1,3-dichloroethene; polychlorinated biphenyls (“PCBs”); and polycyclic aromatic hydrocarbons (“PAHs”). After reviewing sampling data from the Site, EPA concluded that “an imminent and substantial threat to human health and the environment” existed at the Site, and in November 1993, EPA obtained funding to perform a removal action. In March 1994, EPA decided to perform a fund-lead removal action at the Site. The removal action occurred between June and October 1994. Over 6,000 tons of contaminated soils and sludges were removed from the Site during the removal action. After the conclusion of this action, EPA recommended the Site for inclusion on the National Priorities List (“NPL”). The Site was listed on the NPL on June 19, 1996. In September 1998, a group of defendants (the “Work Group Defendants”) notified the United States of their desire to perform the Remedial Investigation and Feasibility Study (“RI/FS”). On February 4, 2000, EPA and the Work Group Defendants entered into an Administrative Order on Consent pursuant to which the Work Group Defendants agreed to perform the RI/FS. The Work Group Defendants submitted to EPA a draft Remedial Investigation Report on March 18, 2003, and a draft Feasibility Study Report on June 11, 2003.

C. EPA has determined the following:

1. prompt settlement with each Settling Defendant is practicable and in the public interest within the meaning of Section 122(g)(1) of CERCLA, 42 U.S.C. § 9622(g)(1);

2. the payment to be made by each Settling Defendant under this Consent Decree involves only a minor portion of the Response Costs incurred and to be incurred at the Site, within the meaning of Section 122(g)(1) of CERCLA, 42 U.S.C. § 9622(g)(1), based upon EPA's estimate that the total Response Costs incurred and to be incurred at or in connection with the Site by the EPA Hazardous Substance Superfund and by other persons is approximately \$23 million, excluding interest; and

3. the amount of hazardous substances contributed to the Site by each Settling Defendant, and the toxic or other hazardous effects of the hazardous substances contributed to the Site by each Settling Defendant, are minimal in comparison to other hazardous substances at the Site, within the meaning of Section 122(g)(1)(A) of CERCLA, 42 U.S.C. § 9622(g)(1)(A), because the amount of hazardous substances contributed to the Site by each Settling Defendant does not exceed 150,000 gallons, which represents 0.19% of the more than 78 million gallons of hazardous substances estimated to have been sent to the Site, and the hazardous substances contributed by each Settling Defendant to the Site are not significantly more toxic and are not of significantly greater hazardous effect than other hazardous substances at the Site.

D. The Settling Defendants do not admit any liability to the United States arising out of the transactions or occurrences alleged in the complaint.

E. The United States and the Settling Defendants agree that settlement without further litigation and without the admission or adjudication of any issue of fact or law is the most appropriate means of resolving this action with respect to the Settling Defendants.

THEREFORE, with the consent of the Parties to this Consent Decree, it is ORDERED,

ADJUDGED, and DECREED:

II. JURISDICTION

1. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§ 1331 and 1345 and 42 U.S.C. § 9613(b), and also has personal jurisdiction over Settling Defendants, which are identified in Appendix A. Settling Defendants consent to and shall not challenge the terms of this Consent Decree or this Court's jurisdiction to enter and enforce this Consent Decree.

III. PARTIES BOUND

2. This Consent Decree is binding upon the United States and upon Settling Defendants and their heirs, successors and assigns. Any change in ownership or corporate or other legal status of a Settling Defendant, including but not limited to, any transfer of assets or real or personal property shall in no way alter such Settling Defendant's responsibilities under this Consent Decree.

IV. STATEMENT OF PURPOSE

3. By entering into this Second Round De Minimis Consent Decree, the mutual objectives of the Parties are:

a. to reach a final settlement among the Parties with respect to the Site pursuant to Section 122(g) of CERCLA, 42 U.S.C. § 9622(g), that allows Settling Defendants to make a cash payment, including a premium, to resolve their alleged civil liability under Sections 106 and 107 of CERCLA, 42 U.S.C. §§ 9606 and 9607, for injunctive relief with regard to the Site, and for Response Costs incurred and to be incurred at or in connection with the Site, thereby reducing litigation relating to the Site, subject to the "Reservation of Rights by the United States" in

Section X of this Decree;

b. to simplify any remaining administrative and judicial enforcement activities concerning the Site by eliminating a substantial number of potentially responsible parties from further involvement at the Site; and

c. to obtain settlement with Settling Defendants for their allocated shares of Response Costs incurred and to be incurred at or in connection with the Site by the EPA Hazardous Substance Superfund, and by other persons, to provide for full and complete contribution protection for Settling Defendants with regard to the Site pursuant to Sections 113(f)(2) and 122(g)(5) of CERCLA, 42 U.S.C. §§ 9613(f)(2) and 9622(g)(5).

s. “Site Future Response Costs” shall mean all “Site Future Remedy Costs,” all other Response Costs that the EPA and/or the United States Department of Justice (“USDOJ”) have incurred, and will incur, from February 1, 2003 through December 31, 2004 (the projected approximate date for completion of this *de minimis* settlement process); and the estimated \$65,000 in Response Costs that the “Work Group Defendants” have projected they will incur to complete the remedial investigation/feasibility study (“RI/FS”) for the Site.

t. “Site Past Response Costs” shall mean all Response Costs incurred by EPA and by USDOJ at or in connection with the Site through the date January 31, 2003, and all Response Costs incurred by the Work Group Defendants at or in connection with the Site through the date November 17, 2003;

Corporation, Viacom Inc. (formerly CBS Corporation and Westinghouse Electric Corporation), Hussey Copper Ltd., USX Corporation, Ford Motor Company and General Motors Corporation. The Work Group Defendants included Kaiser Aluminum Corp. until it notified the other members of the Work Group in early 2002 that it no longer intended to continue participating in the Group, and thereafter filed for bankruptcy.

VI. PAYMENT

5. Within thirty (30) days after entry of this Consent Decree, each Settling Defendant shall pay to the EPA Hazardous Substance Superfund the amount for the payment option (**Column 7** or **Column 8**) that it has selected, as set forth in the row where its name appears in the Second Round De Minimis Settlement Payment Chart (Appendix C) to this Consent Decree.

6. Each Settling Defendant's payments include an amount for all Site Past Response Costs, all Site Future Response Costs; and a premium to cover certain risks and uncertainties associated with this settlement. The premium differs depending upon which of two settlement options is chosen, as explained in Paragraph 7 below.

7. EPA has established two payment options: **the Minimum Premium Option in Column 7** of the Second Round Payment Chart (Appendix C) which contains the lowest possible premium that must be paid to participate in this settlement, and is coupled with the "Reopener Provision" (See Paragraph 8, below), for overruns of Site Future Response Costs, and **the Maximum Premium Option in Column 8** of the Second Round Payment Chart which contains a higher premium, and is not subject to the "Reopener Provision." **The Maximum Premium Option in Column 8** covers certain risks including: 1) the risk that EPA will not be able to recover Response Costs from many PRPs on the Second Round Payment Chart because they are

now defunct or unreachable, have declared bankruptcy, or otherwise have an inability to pay (EPA has applied a 25% premium for this risk on both Site Past Response Costs and Site Future Response Costs) ; and 2) the risk that Site Future Response Costs will be higher than EPA currently projects (EPA has applied a 100% premium for this risk to Site Future Response Costs). **The Minimum Premium Option** in **Column 7** covers the risk described in 1) above, by applying the same 25% premium on both Site Past Response Costs and Site Future Response Costs), but only *partially* covers the risk described in 2) above, by applying only a 50% premium for the risk of overruns on Site Future Response Costs. If Site Future Response Costs exceed \$26,000,000, then the Reopener Provision (Paragraph 8 below) may be triggered, at EPA's discretion, for **Column 7 Settlers**. The selection of the **Column 7 Minimum** or **Column 8 Maximum Payment Option** shall be made by each Settling Defendant by marking the appropriate box on its signature page to this Decree.

8. **Reopener Provision for the Column 7 Minimum Payment Option-**

a. Although **Column 7 Settlers** will pay less money to settle now, they shall assume the risk that Site Future Response Costs will exceed \$26,000,000. If Site Future Response Costs exceed \$26,000,000, EPA, in its discretion, may require **Column 7 Settlers** to pay additional money under this Consent Decree. If EPA so chooses, it shall issue a written demand for additional payments to **Column 7 Settlers**, which demand shall be based on each **Column 7 Settlor's** percentage share (as it appears on Appendix C) of the additional Site Future Response Costs above \$26,000,000 that have been (will be) incurred at the Site. No premium would be attached to any such future payment. The additional payment shall be due from each **Column 7 Settlor** within sixty (60) days following receipt of such a demand. By signing this Consent

Decree, **Column 7 Settlor** agree that they will make such additional payments to EPA in the future in the event that Site Future Response Costs exceed \$26,000,000.

b. If a **Column 7 Settlor** fails timely to comply with a future demand by EPA for additional payment, such PRPs shall be in violation of this Consent Decree and shall be subject to the assessment of civil penalties and Interest from the date of the demand, as set forth in Section VII ("Failure to Make Payment"). Further, in the event of such nonpayment, and notwithstanding any other provision of this Consent Decree, the United States, including EPA, reserves, and this Consent Decree is without prejudice to, the right to issue administrative orders requiring such **Column 7 Settlor** to undertake additional cleanup activities, and the right to institute judicial proceedings seeking to compel such **Column 7 Settlor** to reimburse EPA for a higher share of Response Costs.

9. The settlement option (**Column 7** or **Column 8**) selected by each Settling Defendant shall affect the scope of EPA's covenant not to sue, as well as the reservation of rights made by EPA, as set forth in Sections IX and X of this Consent Decree, respectively.

10. a. Each payment by a Settling Defendant shall be made by certified or cashier's check made payable to "EPA Hazardous Substance Superfund." Each check or a letter accompanying each check, shall identify the name and address of the party making payment, the Breslube Penn, Inc. Site name, the EPA Region and Site Spill ID Number 03BDO, and DOJ Case Number 90-11-3-1762/1 and shall be sent to:

Environmental Protection Agency RIII
P.O. Box 360515
Pittsburgh, PA 15251-6515

b. The total amount to be paid pursuant to this Section and Appendix C to this Consent Decree shall be deposited in the Breslube-Penn, Inc. Superfund Site Special Account within the EPA Hazardous Substance Superfund to be retained and used to conduct or finance response actions at or in connection with the Site, or to be transferred by EPA to the EPA Hazardous Substance Superfund.

11. At the time of payment of the **Column 7** or the **Column 8** amount, each Settling Defendant shall send notice that such payment has been made to:

VII. FAILURE TO MAKE PAYMENT

12. If any Settling Defendant fails to make full payment of the **Column 7** amount or

the **Column 8** amount that appears next to its name in the Second Round Payment Chart (Appendix C) within thirty (30) days from the date of entry of the Consent Decree, such Settling Defendant shall pay Interest on the unpaid balance. In addition, if any Settling Defendant fails to make full payment of the **Column 7** or the **Column 8** amount next to its name, the United States may, in addition to any other available remedies or sanctions, bring an action against that Settling Defendant seeking injunctive relief to compel payment and/or seeking civil penalties in accordance with Section 122(l) of CERCLA, 42 U.S.C. § 9622(l), for failure to make timely payment.

VIII. CERTIFICATION OF SETTLING DEFENDANTS

13. By signing this Consent Decree, each Settling Defendant certifies, individually, that, to the best of its knowledge and belief, it:

a. has conducted a thorough, comprehensive, good faith search for documents, and has fully and accurately disclosed to EPA all information currently in its possession, or in the possession of its officers, directors, employees, contractors or agents, which relates in any way to the ownership, operation, or control of the Site, or to the ownership, possession, generation, treatment, transportation, storage or disposal of a hazardous substance, pollutant, or contaminant at or in connection with the Site;

b. has not altered, mutilated, discarded, destroyed or otherwise disposed of any records, documents, or other information relating to its potential liability regarding the Site after notification of potential liability or the filing of a suit against it regarding the Site; and

c. has and will comply fully with any and all EPA requests for information regarding the Site pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e).

IX. COVENANT NOT TO SUE BY UNITED STATES

14. In consideration of the payments that will be made by Settling Defendants under the terms of this Consent Decree, and except as specifically provided in Section X (Reservations of Rights by the United States), the United States provides the following covenants not to sue:

a. For Column 8 Settlers-

The following paragraph applies to those Settling Defendants who have selected the “Column 8 Maximum Premium Option.”

The United States covenants not to sue or take administrative action against such Settling Defendants pursuant to Sections 106 or 107 of CERCLA, 42 U.S.C. §§ 9606 or 9607, relating to the Site. With respect to present and future liability, this covenant not to sue shall take effect for each such Settling Defendant upon receipt of that Settling Defendant's **Column 8** payment as required by Section VI of this Consent Decree. With respect to each such Settling Defendant, individually, this covenant not to sue is conditioned upon: 1) the satisfactory performance by Settling Defendant of all obligations under this Consent Decree; and 2) the veracity of the information provided to EPA by the Settling Defendant relating to their involvement with the Site.

b. For Column 7 Settlers-

The following paragraph applies to those Settling Defendants who have selected the “Column 7 Minimum Premium Option.”

The United States covenants not to sue or take administrative action against such Settling Defendants pursuant to Sections 106 or 107 of CERCLA, 42

U.S.C. §§ 9606 or 9607, relating to the Site. With respect to present and future liability, this covenant not to sue shall take effect for each such Settling Defendant upon receipt of that Settling Defendant's **Column 7** payment as set forth in Appendix C to this Decree. With respect to each such Settling Defendant, individually, this covenant not to sue is conditioned upon: 1) future compliance with the "Reopener Provision" set forth in Paragraph 8, *supra*; 2) the satisfactory performance by Settling Defendant of all other obligations under this Consent Decree; and 3) the veracity of the information provided to EPA by Settling Defendant relating to their involvement with the Site.

15. The covenant not to sue provided in this Section extends only to Settling Defendants, and does not extend to any other person.

X. RESERVATION OF RIGHTS BY UNITED STATES

16. The United States reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendants with respect to all matters not expressly included within the Covenant Not to Sue by United States in Section IX of this Decree. Notwithstanding any other provision of this Consent Decree, the United States reserves all rights against Settling Defendants with respect to:

- a. liability for failure to meet a requirement of this Consent Decree;
- b. criminal liability;
- c. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments; or
- d. liability based upon the ownership or operation of the Site, or upon the

transportation, treatment, storage, or disposal, or the arrangement for the transportation, treatment, storage, or disposal, of a hazardous substance or a solid waste at or in connection with the Site, after signature of this Consent Decree.

17. Notwithstanding any other provision in this Consent Decree, the United States reserves, and this Consent Decree is without prejudice to, the right to institute proceedings against any individual Settling Defendant in this action or in a new action or to issue an administrative order to any individual Settling Defendant seeking to compel that Settling Defendant to perform response actions relating to the Site, and/or to reimburse the United States for additional costs of response, if:

a. information is discovered which indicates that such Settling Defendant contributed hazardous substances to the Site in such greater amount or of such greater toxic or other hazardous effects that such Settling Defendant no longer qualifies as a *de minimis* party at the Site because Settling Defendant contributed greater than 0.19% of the hazardous substances at the Site, or contributed hazardous substances which are significantly more toxic or are of significantly greater hazardous effect than other hazardous substances at the Site; or

b. information is discovered which demonstrates that the certifications made by the Settling Defendant pursuant to Section VIII herein are false or otherwise incorrect; or

c. the Settling Defendant fails to comply with any term or obligation under this Consent Decree.

XI. COVENANT NOT TO SUE BY SETTLING DEFENDANTS

18. Settling Defendants covenant not to sue and agree not to assert any claims or causes of action against the United States or its contractors or employees with respect to the Site or this

Consent Decree, including, but not limited to:

- a. any direct or indirect claim for reimbursement from the EPA Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;
- b. any claim arising out of response actions at or in connection with the Site, including any claim under the United States Constitution, the Constitution of the Commonwealth of Pennsylvania, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, as amended, 28 U.S.C. § 2412, or at common law; and
- c. any claim against the United States pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to the Site.

Except as provided in Paragraph 20 (Waiver of Claims) and Paragraph 22 (Waiver of Claim-Splitting Defenses), these covenants not to sue shall not apply in the event the United States brings a cause of action or issues an order pursuant to the reservations set forth in Paragraph 16(c) or (d) or Paragraph 17, but only to the extent that Defendants' claims arise from the same response action, Response Costs, or damages that the United States is seeking pursuant to the applicable reservation.

19. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. § 300.700(d).

20. Settling Defendants agree not to assert any claims or causes of action (including claims for contribution under CERCLA) that they may have for all matters relating to the Site against each other or any other person who is a potentially responsible party under CERCLA at

the Site. This waiver shall not apply with respect to any defense, claim, or cause of action that a Settling Defendant may have against any person if such person asserts or has asserted a claim or cause of action relating to the Site against such Settling Defendant.

XII. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION

21. Except as provided in Paragraph 20 (Waiver of Claims), nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Paragraph 20 (Waiver of Claims), the United States and Settling Defendants each reserve any and all rights including, but not limited to, any right to contribution, defenses, claims, demands, and causes of action which each Party may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto.

22. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of Response Costs, or other relief relating to the Site, Settling Defendants shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised in the subsequent proceeding were or should have been brought in the instant action; provided, however, that nothing in this paragraph affects the enforceability of the Covenant Not to Sue by the United States included in Section IX.

23. The Parties agree, and by entering this Consent Decree this Court finds, that each Settling Defendant that is in compliance with all payment requirements of this Decree is entitled, as of the date of entry of this Consent Decree, to protection from contribution actions or claims

as provided by Sections 113(f)(2) and 122(g)(5) of CERCLA, 42 U.S.C. §§ 9613(f)(2) and 9622(g)(5), for “Matters Addressed” in this Consent Decree.

XIII. RETENTION OF JURISDICTION

24. This Court shall retain jurisdiction over this matter for the purpose of interpreting and enforcing the terms of this Consent Decree.

XIV. INTEGRATION/APPENDICES

25. This Consent Decree and its appendices constitute the final, complete and exclusive agreement and understanding among the Parties with respect to the settlement embodied in this Consent Decree. The Parties acknowledge that there are no representations, agreements or understandings relating to the settlement other than those expressly contained in this Consent Decree. The following appendices are attached and incorporated into this Consent Decree:

26. This Consent Decree shall be lodged with the Court for a period of not less than thirty (30) days for public notice and comment. The United States shall file with the Court any written comments received and the United States' response thereto. The United States reserves the right to withdraw or withhold its consent if comments regarding the Consent Decree disclose facts or considerations which indicate that this Consent Decree is inappropriate, improper or inadequate. Settling Defendants consent to entry of this Consent Decree without further notice, and the United States reserves the right to oppose an attempt by any person to intervene in this

civil action.

XVI. EFFECTIVE DATE

27. The effective date of this Consent Decree shall be the date of entry by this Court, following public comment pursuant to Paragraph 26.

XVII. SIGNATORIES/SERVICE
